

STONE
COLLECTION

GRAVITY

Introducing GRAVITY – a tile collection inspired by the raw elegance of fossil stone. Imprinted with prehistoric textures formed over millions of years, each piece reflects nature’s dignified and powerful presence. Like gravity itself, the design draws attention inward, grounding spaces in timeless beauty and natural history.

COLLECTION HIGHLIGHTS

- Design Evolution Across Surfaces

GRAVITY (60x60cm)

: Available in Matt, Polished, and Structured finishes for a versatile, essential look. Matt & Structured finish with MOH > 8 – Superior scratch resistance for high-traffic areas.

GRAVITY x ORBIT (60x120cm)

: Enhanced with Slip-Stop® surface for added safety and subtle terrazzo-style design, ideal for functional spaces.

GRAVITY x DEFY (60x120cm)

: Features a Micro Structured surface and bold embedded textures for a ground-breaking, statement-making finish.

GRAVITY 20mm (60x60cm)

: Structured surface, ideal for outdoor landscaping and heavy-duty applications.

- Timeless Palette
 - Neutral earth tones - warm beige, sandy cream, and stone grey.
